Antifungal Nail Treatment

Clarus Antifungal Cream: Apply one pump on each foot thoroughly, through toes and on the bottom of your feet twice daily (Morning and evening)

Clarus Antifungal Solution: Apply a layer on top of the affected nail or nails, once daily. (Morning or evening time is best)

Clean Sweep: One spray in shoes daily. (Night time is best to allow time to dry overnight)

If you run out of any of these products, they are kept in stock at our office. Please pick up refills as these products are essential to a successful treatment and outcome. You will use these products for one year.
